Starward Solera is a limited-edition offering that is a twice distilled single malt whisky, fermented with brewer's yeast for an extra flavorful craft finish. Matured in carefully selected Apera casks, an Aussie fortified wine similar to Sherry, the distillery recoopers, shaves and chars their barrels before filling them. So this Thanksgiving, why not put the wine away and offer something different? Haykin Family Cider has four suggestions which would pair nicely with the turkey and green beans:

- Jonathan 2018 Vintage: 100% Jonathan apples - Ela Family Farms, CO - This apple is intensely flavored, with a powerful combination of tart and sweet. It is one of America's classic heirlooms, discovered in 1826 in Woodstock, NY. It ferments white-wine like, with baked apple character, juicy fresh plums, and minerality. It is bright and refreshing, yeasty yet fruit forward. 7.4% ABV
- Dabinett 2018 Vintage: 100% Dabinett apples - CiderView Orchards, WA - A famous English apple used exclusively for cider-making, not for fresh eating. Dabinett is bolder than most with big tannins, evoking dark chocolate, English breakfast tea, plums, burnt caramel and baked apple character. It is rich, thick and golden. 7.9% ABV
- Ashmead's Kernel 2018 Vintage: 100% Ashmead's Kernel apples - CiderView Orchards, WA - A seedling planted by Dr. Ashmead in England around 1700, Ashmead's Kernel is excellent for both

eating and cider making, immediately evoking the character of a New Zealand sauvignon blanc, with notes of honeydew and lemon spree candy. It is boldly tart, fruity and aromatic. 7.3% ABV

And for those that can't stray away from their favorite Red, they have a varietal for you:

- Niedzwetzkyana 2019 Vintage: 100% Niedzwetzkyana apples - CiderView Orchards, WA - Niedzwetzkyana is an ancient apple originally from Central Asia and is one of the earliest red-flesh apples to exist. The apple's interior is a striking shade of crimson. A strong red wine character introduces a bursting palate of tart cherries, cranberries, light baking spices, prominent tannin, barrel aged mouthfeel, minerality and a long creamy finish. 8.1% ABV

The above vintages retail for **\$12** for 375ml, **\$18** for 750ml, with the exception of Niedzwetzkyana which retails for **\$16** for 375ml, **\$25** for 750ml

Haykin Family Cider is vegan, gluten-free and kosher with no added sugars or flavorings – simply apples and yeast. The finished result is a delicious, high-end product that has been likened to a grower champagne.
