# ASHMEAD'S KERNEL

*Semi-Dry*

Haykin Family Cider is an award-winning small batch cidery focused on Colorado apples. With tiny bubbles, they produce a sparkling wine-like cider in a variety of sweetness levels. Elevating the apple like wineries treat grapes, they highlight the flavor and complexity of interesting and unique apples. Haykin Family Cider uses only apples and yeast in their ciders, no additives, no gimmicks, just good.

## Ashmead's Kernel

- CiderView Orchards, WA -

A seedling planted by Dr. Ashmead in England around 1700, Ashmead's Kernel is excellent for both eating and cider making, immediately evoking the character of sauvignon blanc, with notes of honeydew and lemon spree candy. It is boldly tart, fruity and aromatic. 100% Ashmead's Kernel apples grown at CiderView Orchards, WA. 2018 Vintage
