

Haykin Family Cider is an award-winning small batch cidery focused on Colorado apples. With tiny bubbles, they produce a sparkling wine-like cider in a variety of sweetness levels. Elevating the apple like wineries treat grapes, they highlight the flavor and complexity of interesting and unique apples. Haykin Family Cider uses only apples and yeast in their ciders, no additives, no gimmicks, just good.

Niedzwetzkyana

- CiderView Orchards, WA -

Niedzwetzkyana is an ancient apple - originating from Central Asia, near the birthplace of all apples. One of the earliest red-flesh apples to exist, both the flesh and core are a striking shade of crimson. This highly aromatic drink leads with fresh, bright acidity followed by tart cherries, cranberries, light baking spices, chalky minerality and a soft, tannic finish. 100% Niedzwetzkyana apples. 2019 Vintage
